End of year message

What a wonderful Colebourne year we have had! A huge thank you to the children, staff and parents for all the hard work and support over the year. We have had a fantastic year of fun, learning, and opportunities for the children to grow and develop.

This year, we further introduced our science of learning (READY approach) into all lessons, and this is having a great impact on children’s ability to recall learning, make connections across learning, and remember more. Our curriculum units are ensuring children can develop a love of learning and provide challenge to enhance their skills and thinking. We have seen fantastic outcomes across our curriculum, and we look forward to showcasing more of this with you next year.

We wish you an awesome summer and we look forward to seeing you all back in September. For those children, families and staff leaving us – we wish you all the best.

New entrance and access arrangements

Over the summer, building works will be started on an update to the visitor entrance (from the car park side). This is not due for completion until nearer the end of September.

If you are coming via the vehicle entrance to drop off or collect your children at any point during the building works, please press the **door bell by the hall doors** and a member of the administration team will come out to you.

If your child is late – please ensure you **walk them to the studio doors** and pass them over to a **Colebourne member of staff** (blue lanyards). If a **Colebourne member of staff is not there** – please ring the bell and wait.

Children should not be coming through the car park on their own – they must come with an adult

New website

We will shortly be launching our new website which has all the up-to-date information about school including all our updated curriculum information. We will let you know when it goes live!

Please label clothes for September

PLEASE, PLEASE, PLEASE label your children's clothing for school in September. Every year we have a huge pile of lost property and requests to find missing items. Any item found which is named goes straight back to the child; any item not named get put into lost property and with so many similar items it is hard to find the owner.

Facebook page – sharing summer activities

Did you know we have a Facebook page?:

<https://www.facebook.com/colebourneprimary/>

Please keep an eye out over the summer for posts about local activities and interesting articles suitable for parents.

No KS2 Afternoon fruit scheme from September

Due to very low numbers for the KS2 afternoon fruit scheme, this will no longer be running from September. Children can still bring an afternoon piece of fruit from home to eat in the afternoon.

Summer communications

Please note that Class Dojo messages are unlikely to be responded to over the summer so please avoid sending messages to staff.

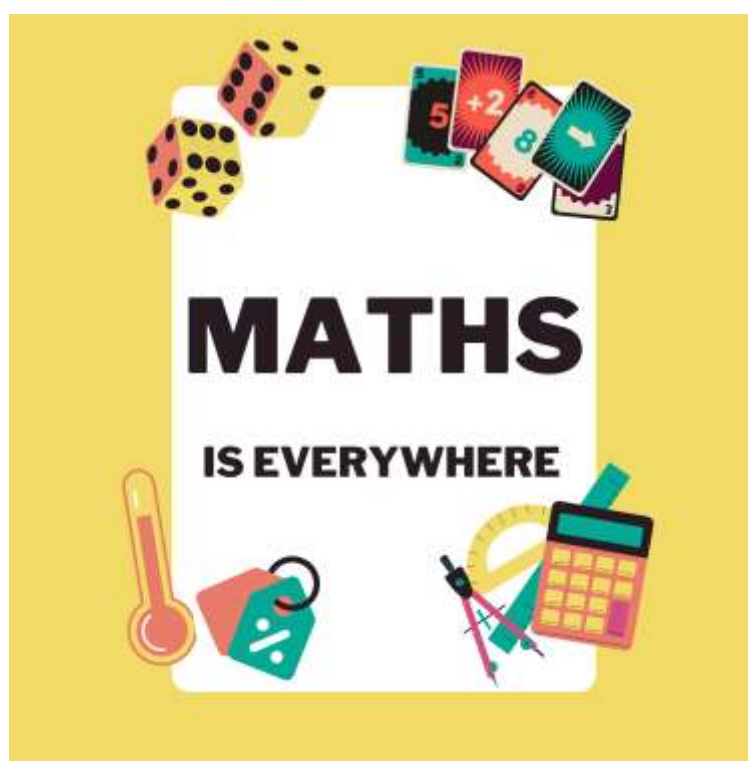

If you require contact with school over the summer, please use the parents@colebourne.bham.sch.uk email address. This will be checked weekly.

Summer Maths Challenges

Each year group in maths has particular objectives that the children will be working on. You can see the full range of objectives on the Year group expectation sheets: [Key expectation sheets](#)

On the next page are key objectives for each year group which will help them make a great start to the school year if any practise or learning can take place over the summer. Remember that this learning can take place through singing, games, cooking, decorating and many more day-to-day activities.

ROCK AND POP BAND LESSONS WITH ROCKSTEADY!

Exciting news!

From September 2024, we will be welcoming Rocksteady Music School into Colebourne. It's an incredible opportunity for your children to learn to play their favourite songs in their very own band with a choice of drums, keyboards, electric guitar, bass guitar or vocals.

As well as **learning new musical skills**, lessons also **boost children's confidence**, wellbeing, social skills and teamwork. Lessons take place **every week** during school time. These **fun and inclusive lessons** are taught by **highly trained, professional musicians** who know how to inspire a life-long love of music.

At the end of each term each band will perform in a concert for the school and their families, so you can see how far they have come! A musical workshop has already taken place in school, where the children tried out the instruments and saw what it is like to learn to play in a band.

Here's what you need to know:

- All instruments are provided
- No musical experience necessary
- Suitable for all ages
- Most lessons take place during school time
- Your child will learn up to 300 instrument, band, and performance skills
- You'll receive regular online updates via the Rocksteady Parent Timeline - There's a money back guarantee for the first month
- You can cancel at any time.

You can sign up for lessons online at [ht
tps://www.rocksteadymusicschool.com/info-for-parents](https://www.rocksteadymusicschool.com/info-for-parents) If you have any questions about Rocksteady band lessons, you can call 0330 113 0330 (local rate, office hours are Mon – Thurs 8am – 8pm, Fridays 8am – 6pm).

More foster carers are needed in Birmingham

Please see information about fostering from Foster Birmingham:

Too often, due to a lack of foster carers, children are placed with foster families away from their local communities, and sibling groups are separated.

In Birmingham, more fostering households are needed to make sure every child that can't live with their own family gets the care they need and are well supported within their community. Foster carers who can support sibling groups and teenagers are particularly needed locally.

Currently, there are over 831 children living with 552 foster families in Birmingham and the number of children coming into care keeps rising. The reasons children become looked after vary widely, including a parent's illness or another problem which means they can't be cared for by their own family. Some children may have witnessed domestic violence or drug abuse, and others may have been abused or neglected.

Some foster families look after children on a short-term basis, but for many, fostering offers them a secure, permanent home. Foster carers in Birmingham provide support and care in a family setting

and enable children to stay in their local community with everything that is familiar to them. This minimises further disruption to their lives by helping them stay in their school, close to their friends, and maintaining connections with other family members.

Each child's circumstances and needs are different, but every child has the right to have their needs met within their own community, together with their siblings if they have any.

If you feel you could offer a loving and secure home to a child in your community Foster Birmingham (part of Birmingham Children's Trust) would love to hear from you. Please call 0121 3030 7575 or enquire online at www.fosterbirmingham.co.uk
