Year 2 Residential

Some of our Year 2 children have had a wonderful couple of days on their residential. They stayed overnight at a farm and helped feed and groom the animals. They also got lots of time to play!!!

Thanks to everyone involved in planning for these experiences. Here are a couple of photos:

Year 6 Mothers Day activities

Thanks to those who were able to attend the Year 6 mother's day craft morning. Here are just a few photos. Thanks to Mrs. Wren and the Year 6 teams for arranging this.

Eid and Easter Menus

The next couple of pages have the menu's for some special food days. These are for those children who usually have a school dinner.

If any sandwich children would like a dinner on any of these days, please contact the main school office by end of the week before.

Message from Birmingham City council to parents of children with Special Education Needs and/or disabilities (SEND)

We're working hard to establish a reliable baseline to assess the performance of our Special Educational Needs and Disability (SEND). To help with this, a survey has been created – one for parent carers and another for young people with additional needs who either have an Education Health Care Plan (EHCP) or receive SEND support.

The surveys will close on Monday, 31 March 2025 and can be found at the following links:

- [SEND & AP Parent Carer Survey 2025](#)
- [SEND & AP Young People Survey 2025](#)

By participating in these surveys, parent carers and young people will provide valuable insights that will help us track progress, drive improvements, and ensure accountability within SEND services.

Eid ul-Fitr Guidance

As you will know, Eid ul-Fitr tends to vary depending on lunar observations in the country you are in, as many nations, such as Morocco and Saudi Arabia, will either confirm Sunday, March 30th or Monday, March 31st as the date of Eid celebrations.

To enable parents and school to plan and as we typically only have a couple of children in school on Eid days, this year school will be **closed to all children Monday 31st March**. However, we can offer childcare arrangements free of charge during school hours (8.30am – 3.20pm) on Monday 31st March. Any children attending on Monday 31st March will be grouped together and will be looked after and given opportunities for some activities together.

Tuesday 1st April – ALL CHILDREN should be in school.

Tuesday 1st April will also be a non-uniform / Eid clothes day and children who have school dinners will have a special Eid menu

*“Children taking part in religious observances are authorised to have **1 day off** to celebrate on the day (Monday 31st March) that this takes place.*

“We understand that some religious event dates such as Eid are dependent on other factors such as the sighting of the moon and these dates may differ due to how the different places of worship decide on this. In these circumstances, some families may have different days when they are celebrating. If this is the case, we ask that families discuss this ahead of time and make decisions about which day they will be celebrating. We would suggest that celebrations beyond the 1 authorised day take place at another appropriate time, e.g. the next weekend.”

If anything changes in terms of dates for Eid, we will update our guidance.

Reporting pupil absence for Eid:

As school will be closed to pupils on Monday 31st March, there is no need to report your child's absence for this day.

District Football Nominations 2025/26

Dear Parent / Guardian,

Your son/daughter has been identified by their school as a talented footballer and nominated for the 2025/26 Erdington and Saltley district football trials. This letter contains key information about district football.

Scan here to learn more about district football's partnership with Aston Villa:

What is district football?

District football is the highest level of youth football for primary aged pupils outside of academy football. As a city, Birmingham has over 300 primary schools. These schools are divided into seven geographical districts, with each district having its own representative football team.

What is Erdington and Saltley district?

Erdington and Saltley have 49 primary schools across Erdington, Saltley, Nechells, Hodge Hill, Washwood Heath, Bromford and Shard End.

My child already plays for a football team. Is this a problem?

No. District footballers also play for a second team - either a grassroots team or an academy team. Boys' district matches are played on Saturday mornings, while girls' games are played on Friday evenings. They do not clash with grassroots football.

My child plays for a professional academy. Is this a problem?

No. Children who play for academy teams (e.g. Birmingham City, Walsall, Wolves) are allowed to play district football.

Why should my child play district football?

Best facilities in the city: All district games are played from a central location - Aston Villa's training ground.

High standard: District football is the highest standard of youth football outside of academy football.

Player Pathway: District football offers players a direct route into an academy such as Aston Villa, Birmingham City or Wolves. Each year, many Erdington and Saltley players are signed by professional clubs. We currently have former players playing professionally for Manchester City, Manchester United, Leeds United, Aston Villa, Birmingham City, West Bromwich Albion and others.

What do I need to do if I want my son / daughter to attend the trials?
